

We are honored to be a catalyst for creativity, professional growth and your personal success in the arts.

We're located in the heart of North Tonawanda's historical and cultural district. River Art Gallery & Gifts and parent company, Pencil in the River Studio began over 30 years ago to support the area's flourishing artistic community. Our businesses work in collaboration to ensure the highest level of quality in fine art giclée reproductions and professional exposure, both regionally and internationally.

By participating in our General Member's program, you will be able to expand your artists community and attend our series of gallery exhibitions throughout the year.

Our gift shop represents a variety of unique one-of-a-kind art & gifts
